Space does not permit us to recognize every donation, but they are all special and mean more kids can play. Some of our favorites are the kids that donate their birthday money so other kids can play sports. So cool!

How you can help KidSport Victoria.

Designate KidSport as your organization's Charity of Choice and help local disadvantaged children. Charity of Choice events can include any event that your organization wishes to put on to raise funds for a good cause: dress down days, golf tournaments, running events, auctions, banquets. Donate all or a portion of the proceeds from the event. Your organization can also receive a charitable tax receipt for the KidSport donations.

Or if wish to donate to KidSport make your cheque payable to KidSport Canada and mail to the address below. Donations of \$25 and over qualify for tax receipts. You can also donate online at www.kidsportvictoria.ca.
