

Together IS Amazing - Fill the Food Banks Campaign

In an amazing demonstration of the power of togetherness, Shaw is proud to announce that along with partnering organizations and community members across Canada they have more than doubled their goal of raising one million pounds of food. As of today, Shaw's Fill The Food Banks campaign raised 2.6 million pounds across Canada with 61,000 pounds coming from the Greater Victoria and Salt Spring Island community.

Inspired by the support of local communities, Shaw has announced they are adding to their 350,000 pound match with a cash donation of \$250,000. The combination of food and cash donations generated through this campaign will benefit hundreds of thousands of hungry Canadians this winter.

The best accomplishments are the ones you share.
Thank you greater Victoria and Salt Spring Island
TOGETHER, we helped fill food banks.
